Hi Beth,

I hope by now you have had a message from Susannah advising you she was successful today and is now a P plate driver.

Lloyd was really impressed and said she is one of the best so far, I'm really pleased, she had taken on board the feedback from your drive with (the driving instructor I can't remember his name). While she may not have been forthcoming with feedback to me at the time, she certainly worked on those skills with me in the car.

What a great success this program is!

So congratulations to you for all of your hard work in keeping it running as well as it does.

Happy Monday

Deb

PS ready for a newbie when you have one for me J
